2010 Summer Camps at the Children's Discovery Museum

Week 1: June 28th – July 2nd

How Does Your Garden Grow?

Spend the week planting, learning about veggie growing, how compost helps and which bugs are good. Take home mini-gardens.

Ages 4-7

Week 2: July 5th – July 9th

Slimy Science – Dive into science exploration with a twist of slime.

Projects focusing on slimy science discoveries. You will get messy!

Ages: 4-7

Week 3: July 12th – 16th

Camp Construction

Enter the fascinating world of construction. Learn to build bridges on a computer, create buildings, play with cement and make take home projects. Sponsored by AGC.

Ages: 6-10

Week 4: July 19th – 23rd

Art Mania

Art explorations of all kinds! Work with recyclable materials to create artistic masterpieces using a variety of media.

Ages: 4-7

Week 5: July 26th -30th

Dinos Galore

Become a paleontologist and join the fun. Stories, crafts, and dinosaur excitement for all!

Ages: 3-5

Week 6: August 2nd – August 6th

Kids Story Book Cooking*

Each day the campers will enjoy a popular children's book and will get a cooking lesson that accompanies the story. For example, read Blueberries for Sal and then learn how to make blueberry smoothies. A fun and imaginative week!

Ages: 4-7 *Please contact us with food allergy concerns.

Week 7: August 9th – August 13th

Under the Sea

Who lives there? Why don't they get washed away with the waves? Discover the fun that waits for you under the sea.
